

Your Name Must Match Your Birth Geometry.

The Wrong Name Is Costing You More Than You Think.

Every person is born under unique planetary geometries, including a 60° Sextile that shapes your natural flow, opportunities, and momentum. Your name must match that frequency. When it does, everything shifts.

Name matched: **Clarity Confidence Momentum Recognition**

Name clashes: **Friction Confusion Setbacks Stagnation**

[Why alignment matters](#)

Two people. Same name. Two completely different destinies.

Why does one "Jack" build an empire while another "Jack" struggles for decades? It isn't luck. A name carries a frequency — and that frequency must align with the geometry your birth chart encodes. This is the foundation of Cosmic Naming Science™.

Name + geometry aligned

Life opens naturally

Doors appear before you knock

People trust you instinctively

Momentum builds without force

Name + geometry misaligned

Life resists at every turn

Opportunities arrive then vanish

Effort multiplies, results don't

Recurring patterns of stagnation

What you receive

Your Name Alignment Blueprint

Before you choose a name — know exactly what your name must do. No guessing. No trial and error with your identity.

Your birth geometry frequency

Your current name frequency

Whether they match or clash

Personal or business name direction

The frequency your new name must carry

Soft, strong, neutral, or radiant — the right tone

Masculine, feminine, or balanced energy

The identity role your name must support

Who this is for

We work only with people who are ready.

You're launching a business or brand

You need a new personal name

You feel misaligned with your current name

You want clarity before committing to a name

You want power, flow, and recognition built in

This is not for you if...

You don't believe in the connection between name and destiny

You're just exploring out of curiosity

You don't need a name right now

Track record

Case studies

Multi-industry

Proven results

Three of our most documented transformations:

Gems & Jewellery

She Shines

From boutique startup overshadowed by corporate giants → **undisputed #1 luxury gem brand in the region** with 20+ years of market dominance.

Real Estate

Iron Gate

Stagnant first year. After CEO name realignment alongside brand rename → **66% growth in Year 2, 142% surge in Year 3.**

Computer Training

Tech Nova

Goal was 20 students per month. Post-rename → **4 fully booked batches per week**, dominating the local tech-training sector.

📁 PDF & Portfolio — Placement Guide (Final Decision)

Logo Portfolio (Logos_Combined.jpg):

Home page Section 5 (Track Record) ထဲမှာပဲ ထည့် — mini-grid အနေနဲ့ mockup မှာ ပြထားသလိုပဲ။ Real logo image ကို CSS grid မှာ ထည့်ရင် visual proof ကြောင်းကြောင်း ဖြစ်မယ်။
[/portfolio](#) sub-page ကိုလည်း link ချိတ်ပါ။

Success Stories PDF:

[/success-stories](#) sub-page သီးသန့် ဖန်တီးပြီး Home page မှာ Top 3 story ပဲ teaser အနေနဲ့ ထားပါ — mockup မှာ ပြထားသလို "View all 10 →" link နဲ့ ချိတ်ပါ။ PDF ကို directly link မလုပ်ပါနဲ့ — ကြည့်ဖို့ ခက်ပြီး mobile မှာ poorly render ဖြစ်မယ်။

Website ကို implement လုပ်တဲ့အခါ မေ့မသွားစေချင်တဲ့ အချက်နှစ်ခုလောက်:

Logo grid အတွက် — mockup မှာ text placeholder လေးတွေ ထားထားတာ၊ real site မှာ [Logos_Combined.jpg](#) ကို actual image tiles အနေနဲ့ ထည့်ရင် visual impact တက်သွားမယ်။

Success Stories PDF အတွက် — [/success-stories](#) sub-page မှာ PDF content ကို web format ပြောင်းပြီး ထည့်ပေးပါ။ PDF ကို directly embed မလုပ်ပါနဲ့၊ mobile user တွေ ဆုံးရှုံးနိုင်တယ်။

"Login After Payment"

လက်ရှိ flow ကို ဒီလို ပြောင်းလိုက်ပါ။

လက်ရှိ (မှားနေတာ)

Homepage → Pricing → **Login** → Order Form → Payment

အသစ် (ဖြစ်သင့်တာ)

Homepage → Pricing → Order Form → Payment → **"Account ဖန်တီးပါ"**
(Auto-prompt)

① My Orders — Login မဝင်ရင် မပေါ်တဲ့ ပြဿနာ

Payment ပြီးတဲ့ချိန်မှာ system က အလိုအလျောက် account ဖန်တီးပေးပြီး email ပို့ပေးပါ —

"Your order is confirmed. We've created your Galaxy NameLab account. Click here to view your order and download your report when ready."

ဒါဆို customer က account ရှိသွားတယ်။ My Orders လည်း ကြည့်နိုင်တယ်။ ဒါပေမဲ့ checkout မတိုင်ခင် login wall မကြုံရဘူး။

② နာမည်တွေ ပြန်ပို့ဖို့ email လိုတဲ့ ပြဿနာ

Order form မှာ email တောင်းတာ ဆက်ထားပါ — ဒါ မှန်ကန်တယ်။ ပြဿနာက email တောင်းတာ မဟုတ်ဘဲ **"account အရင်ဖွင့်ပါ"** ဆိုတဲ့ step ကြောင့်သာ ဖြစ်တာ။ Order form မှာပဲ email ထည့်ခိုင်းတာ visitor အတွက် သဘာဝကျပြီး friction မဖြစ်ဘူး။

Developer ကို ပြောရမည့် အချက် (တိကျအောင်)

"Pricing page မှာ 'Get Started' နှိပ်ရင် Login page မသွားဘဲ Order Form တိုက်ရိုက်ရောက်အောင် ပြင်ပေးပါ။ Payment အောင်မြင်ပြီးချိန်မှာ system က auto-create account လုပ်ပြီး login credentials ကို email နဲ့ ပေးပို့ပါ။"
